

Kolb/Sabino Canyon Road Connection Public Meeting Notice

The City of Tucson Department of Transportation (TDOT) requests your participation in a public meeting. The purpose of the meeting is to gather public input and provide information on the status and schedule of the voter-approved Regional Transportation Authority (RTA) plan to connect Sabino Canyon Road with Kolb Road.

The proposed improvements, as described in the RTA plan, include a four-lane roadway with bike lanes and sidewalks extending Sabino Canyon Road south from its intersection with Tanque Verde Road to connect with Kolb Road approximately one-quarter mile north of Speedway Boulevard.

The project is in its first phase, which includes data gathering. Public involvement is a part of that process, and you are invited to attend the first public meeting to provide your comments, ideas and concerns regarding the proposed project. If you are unable to attend the public meeting, please contact Barb Alley at barb@gordleydesign.com or 520-327-6077 to obtain a comment form. Additional public meetings to receive public input will be held as the project progresses into the conceptual design phase.
